Nationalist and Revolutionary While a high school student, I actively participated in the Mahatma Gandhis 1942 movement Quit India. I felt disappointed because only a few prominent leaders like Gandhi and Nehru were imprisoned. On Sept. 9, 1945, under the patronage of the Dadu District British Collector, the town dignitaries including my grand father and Mr. Tuljaram Nagrani, the principal of the town High school, along with the matriculate students had assembled at the Hindu temple to celebrate the victory of the Allies at the WW II. Sweets were distributed. I threw the sweets on the floor. The reason I did this was not because I sided with the Axis powers. But because Indian soldiers were fighting for Britain, as India was not a free country. Next morning, the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent. The principal told my father that Jagat to pay a fine of Rs. 5 and threatened that in case of denial I will be rusticketed (expelled from school as a bad character student) and no school would admit me. I am proud of my father that he said that only Jagat to decide. I said that paying fine means admission of the guilt. In my opinion it was not a guilt. I, with recommendation of my class teacher Mr. Chandnani, got admission in the P. H. High School, Dadu, only about 50 miles

away from my home town. In 1947 on the eve of partition, there was an accidently bomb explosion in Karachi, suspected of an RSS activity. Several RSS leaders were arrested. A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest. I, along with a few RSS pracharaks, secretly reached Karachi to take a ship for Okha, Gujarat, then train to Baroda. In 1948, Mahatma Gandhi was assassinated by Nathuram Godse. Because Godse was an RSS member, the whole RSS all over India was banned. I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member. Whole family can not be punished because of the crime of its one member. I was imprisoned in Baroda jail for four months. Thousands of RSS members all over India were imprisoned. Dr. Jagat K. Hukumnamas and Papers Relating to Sriharikota Yanadies ValaiTamil Academy

'Tamil' is one of those words whose origin and root-meaning are wrapped up in mystery. All that we can say at present without any fear of contradiction is, that it is a pure Tamil word being current as the only name of the language of the Tamils, from the days that preceded the First Tamil Academy established at Thenmadurai on the river pahruli in the submerged continent. After some of the Vedic Aryans migrated to the South, Tamil got the descriptive name 'Tenmoli' lit. 'the southern language', in contradistinction to the Vedic language or Sanskrit which was called 'Vadamoli', lit. 'the northern language'. The word 'Tamil' or 'Tamilan' successively changed into 'Dramila', 'Dramila', 'Dramida' and 'Dravida' in North India and at first denoted only the Tamil language, as all the other Dravidian dialects separated themselves from Tamil or came into prominence one by one only after the dawn of the Christian era. That is why Sanskrit and Tamil came to be known as Vadamo and Tenmoli respectively. This distinction could have arisen only when there were two languages standing side by side, one in the North and the other in the South, both coming in contact with each other. The Buddhist Tamil Academy which flourished in the 5th century at Madurai went by the name of 'Travida Sangam'.

Featuring over 400 full-color surgical photographs and drawings, this text/atlas is a step-by-step guide to the surgical approaches used to expose the facial skeleton. The authors describe in detail the key anatomic structures and the technical aspects of each approach, so that the surgeon can safely gain access to the region of the craniofacial skeleton requiring surgery. This Second Edition includes full-color intraoperative photographs that complement the surgical drawings. Several new approaches have been added—the transconjunctival approach to the medial orbit, subtarsal approach to the internal orbit, Weber-Ferguson approach to the midface, and facial degloving approach to the midface.

This is the first English translation of the classic work by Louis Dumont, one of the premier anthropologists and social theorists of his generation. Dumont traces the history and distribution of the Pramalai Kallars of south India: their culture, agricultural practices, economic and political organization, and the collective representations embedded in their social organization and religion. This work is particularly noteworthy as a structuralist ethnography and as the first step in Dumont's construction of a comprehensive structuralist theory of traditional Indian society.
