Property Tax Policies and Administrative Practices in Canada and the United States Hassell Street Press

Gathers thirty-three story ideas for films by the Italian director noted for his use of silence, omission, and suggestion

Adam Smith [microform]; an Oration Viking Adult

Describes the manual, *Bibliographic Formats and Standards*, 2nd. ed., a revised guide to machine-readable cataloging records in the WorldCat. Describes conventions. Describes and provides an example of input standards tables. Addresses revisions of the manual as well as ordering and distribution. Includes acknowledgements. Provides a link to the table of contents.

Buyology Bloomsbury Publishing USA

Considering maintenance from a proactive, rather than reactive, perspective, *Maintenance Excellence* details the strategies, tools, and solutions for maximizing the productivity of physical assets—focusing on profitability potential. The editors address contemporary concerns, key terms, data requirements, critical methodologies, and essential mathematical needs. They present

maintenance in a business context, review planning, measurement, feedback, and techniques related to cost, efficiency, and results, and summarize applications of tools and software from statistics and neural networks to cost-optimized models.

NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will

captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Scars, Marks & Tattoos Oxford University Press, USA

Eating junk food and fast food is a great all-American passion. American kids and grownups love their candy bars, Big Macs and supersized fries, Doritos, Twinkies, and Good Humor ice cream bars. The disastrous health effects from the enormous appetite for these processed fat- and sugar-loaded foods are well publicized now. This was particularly dramatically evidenced by Super Size Me (2004), filmmaker Morgan Spurlock's 30-day all-McDonald's diet in which his liver suffered the same poisoning as if he had been on an extended alcohol binge. Through increased globalization, American popular food culture is being increasingly emulated elsewhere in the world, such as China, with the potential for similar disastrous consequences. This A-to-Z reference is the first to focus on the junk food and fast food phenomena from a multitude of angles in addition to health and diet concerns. More than 250 essay entries objectively explore the scope of the topics to illuminate the American way through products, corporations and entrepreneurs, social history, popular culture, organizations, issues, politics, commercialism and consumerism, and much more. Interest in these topics is high. This informative and fascinating work, with entries on current controversies such as mad cow disease and factory farming, the food pyramid, movie tie-ins, and marketing to children, will be highly useful for reports, research, and browsing. It takes readers behind the scenes, examining the significance of such things as uniforms, training, packaging, and franchising. Readers of every age will also enjoy the nostalgia factor, learning about the background of iconic drive-ins, the story behind the mascots, facts about their favorite candy bar, and collectables. Each entry ends with suggested reading. Besides an introduction, a timeline, glossary, bibliography, resource guide, and photos enhance the text. Sample entries: A&W Root Beer; Advertising; Automobiles; Ben & Jerry's; Burger King; Carhops; Center for Science in the Public Interest; Christmas; Cola Wars; Employment; Fair Food; Fast Food Nation; Hershey, Milton; Hollywood; Injury; Krispy Kreme; Lobbying; Nabisco; Obesity; PepsiCo; Salt; Soda Fountain; Teen Hangouts; Vegetarianism; White Castle; Yum! Brands, Inc.

Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this lavishly illustrated guide will cast a spell on readers of all ages.

Cost Estimating Guide for Road Construction Hassell Street Press

Autobiography of Ron LeFlore, who played on a prison baseball team while serving a sentence for armed robbery and later became a star player for the Detroit Tigers.

Divided by a Common Language HarperCollins Publishers

"The approach that has helped thousands of learners memorize Japanese kanji has been adapted

to help students with Chinese characters. Remembering Simplified Hanzi covers the writing and meaning of the 1,000 most commonly used characters in the traditional Chinese writing system, plus another 500 that are best learned at an early stage." "Of critical importance to the approach found in these pages is the systematic arranging of characters in an order best suited to memory. In the Chinese writing system, strokes and simple components are nested within relatively simple characters, which can, in turn, serve as parts of more complicated characters and so on. Taking advantage of this allows a logical ordering, making it possible for students to approach most new characters with prior knowledge that can greatly facilitate the learning process."--BOOK JACKET.

Breakout Houghton Mifflin Harcourt

Hayden Lake: A Brief Primer describes the popular North Idaho Lake and its watershed. The book deals with matters as simple as access to the lake and its watershed. The book describes of the complex underlying geology of the lake and its immediate surroundings, the flora and fauna of the lake and its watershed and a brief history of man's impacts on the lake and watershed. Building on these elements the inner workings of the lake and watershed's hydrology, limnology, and aquatic biota is discussed. A final chapter outlines the challenges and opportunities in managing the quality of the watershed and the lake into the future.

Bibliographic Formats and Standards

This guide to the language differences between the United States and United Kingdom is "a fascinating collection full of all kinds of surprises" (Minneapolis Star Tribune). Taxi rank . . . toad in

the hole . . . dustman . . . fancy dress . . . American visitors to London (or viewers of British TV shows) might be confused by these terms. But most Britons would be equally puzzled by words like caboose, bleachers, and busboy. In *Divided by a Common Language*, Christopher Davies explains these expressions and discusses the many differences in pronunciation, spelling, and vocabulary between British and American English. He compares the customs, manners, and practical details of daily life in the United Kingdom and the United States, and American readers will enjoy his account of American culture as seen through an Englishman's eyes. Davies tops it off with an amusing list of expressions that sound innocent enough in one country but make quite the opposite impression in the other. Two large glossaries help travelers translate from one variety of English to the other, and additional lists explain the distinctive words of Australia, New Zealand, and South Africa. This delightful book is the ideal companion for travelers—or anyone who enjoys the many nuances of language.

Annual Report to the Governor...on Employment Security in Montana; 1964

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Fosamine Ammonium

Suspect Citizens offers the most comprehensive look to date at the most common form of police-citizen interactions, the routine traffic stop. Throughout the war on crime, police agencies have used traffic stops to search drivers suspected of carrying contraband. From the beginning, police agencies made it clear that very large numbers of police stops would have to occur before an officer might interdict a significant drug shipment. Unstated in that calculation was that many Americans would be subjected to police investigations so that a small number of high-level offenders might be found. The key element in this strategy, which kept it hidden from widespread public scrutiny, was that middle-class white Americans were largely exempt from its consequences. Tracking these police practices down to the officer level, *Suspect Citizens* documents the extreme rarity of drug busts and reveals sustained and troubling disparities in how racial groups are treated.

Cost Control in Forest Harvesting and Road Construction

The Sanitation Supervisor Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: preparation, completion and review of forms, reports and logs; making required notifications; communicating information; assigning and reassigning work; monitoring and inspecting subordinates; training, counseling and evaluating subordinates; performing field duties; maintaining, securing and safeguarding department property; and more.
