Flowers in Simple Steps Botanical Flowers Books Plants The easy, step -by-step instructions on the following pages will teach you how to draw everything from daisies and daffodils to strawberries and spider plants. All you need is a No. 2 pencil, a pencil sharpener, and an eraser. Then use How to Draw Flowers & Plants to practice drawing for hours! Learn how to draw roses and other flowers and plants in this book. Each drawing begins with a few simple shapes printed in red ink. The second step shows the first drawing in black. The new shapes and marks you're going to add appear in red. This shows you how to make step one's drawing look like that in step two. The following steps also show the earlier drawings in black and the new marks and shapes in red. A blank space near each step lets you practice your drawing skills. You can also compare your drawing with the printed one. Draw lightly with your pencil. This makes it easier to erase mistakes and other marks that change slightly in later steps. When you have finished, use a pen or fine felt-tip marker to darken the pencil marks that make up the finished drawing. Then gently erase any remaining pencil marks. When you are done, you will have 23 drawings showing many different types of flowers and plants. If you wish, you can add color by using crayons or colored pencils or markers. You may want to cut out your drawings and tape or glue them onto colored construction paper. You can even frame them. Then you will be able to display your colorful collection of drawings showing all sorts of flowers and plants. Have fun! In this book you'll learn how to draw a variety of flowers and plants. Towards the end, you can push your art skills a little further by learning how to draw flower and plant arrangements
