A Soldier's Duty A Novel

HESTER MARTINEZ

All Quiet on the Western Front

Swoon Reads

"The war in Vietnam was not lost in the field, nor was it lost on the front pages of the New York Times or the college campuses. It was lost in Washington, D.C." - H. R. McMaster (from the Conclusion) *Dereliction Of Duty* is a stunning new analysis of how and why the United States became involved in an all-out and disastrous war in Southeast Asia. Fully and convincingly researched, based on recently released transcripts and personal accounts of crucial meetings, confrontations and decisions, it is the only book that fully re-creates what happened and why. It also pinpoints the policies and decisions that got the United States into the morass and reveals who made these decisions and the motives behind them, disproving the published theories of other historians and excuses of the participants.

Dereliction Of Duty covers the story in strong narrative fashion, focusing on a fascinating cast of characters: President Lyndon Johnson, Robert McNamara, General Maxwell Taylor, McGeorge Bundy and other top aides who deliberately deceived the Joint Chiefs of Staff, the U.S. Congress and the American public. Sure to generate controversy, *Dereliction Of Duty* is an explosive and authoritative new look at the controversy concerning the United States involvement in Vietnam.

I Am a Soldier, Too Penguin

Anatomy of a Soldier is a stunning first novel—of patriotism, heroism, and profound humanism—that will immediately take its place on the shelf

of classics about what it truly means to be at war. Let's imagine a man called Captain Tom Barnes, aka BA5799, who's leading British troops in the war zone. And two boys growing up together there, sharing a prized bicycle and flying kites before finding themselves estranged once foreign soldiers appear in their countryside. And then there's the man who trains one of them to fight against the other's father and all these infidel invaders. Then imagine the family and friends who radiate out from these lives, people on all sides of this conflict where virtually everyone is caught up in the middle of something unthinkable. But then regard them not as they see themselves but as all the objects surrounding them do: shoes and boots, a helmet, a bag of fertilizer, a medal, a beer glass, a snowflake, dog tags, and a horrific improvised explosive device that binds them all together by blowing one of them apart—forty-five different narrators in all, including the multiple medical implements subsequently required to keep Captain Barnes alive. The result is a novel that reveals not only an author with a striking literary talent and intelligence but also the lives of people—whether husband or wife, father or mother, son or daughter—who are part of this same heart-stopping journey. A work of extraordinary humanity and hope, created out of something hopeless and dehumanizing, it makes art out of pain and suffering and takes its place in a long and rich line of novels that articulate the lives that soldiers lead. In the boom of an instant, and in decades of very different lives and experiences, we see things we've never understood so clearly before.

A Soldier's Burden Network 3000
 To the battle-broken soldiers In her care, nurse Honour Langtry is a precious,

adored reminder of the world before war. Then Michael Wilson arrives under a cloud of mystery and shame to change everything. A damaged and decorated hero, a man of secrets and silent pain, soon he alone possesses Honour's selfless heart -- inciting tense and volatile passions that can only lead to jealousy, violence, and death.

An Indecent Obsession Lancer Publishers LLC

The memoir of an infantryman's tour of duty in Vietnam during America's most controversial war. The author details being drafted into the Army in 1968, and being sent to Vietnam in 1969. He experienced losing many friends and was ultimately seriously wounded in action. This book is a testament to the triumph of the human spirit.

A Novel HarperCollins

A CLASSIC FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF THE THINGS THEY CARRIED "To call *Going After Cacciato* a novel about war is like calling *Moby-Dick* a novel about whales." So wrote The New York Times of Tim O'Brien's now classic novel of Vietnam. Winner of the 1979 National Book Award, *Going After Cacciato* captures the peculiar mixture of horror and hallucination that marked this strangest of wars. In a blend of reality and fantasy, this novel tells the story of a young soldier who one day lays down his rifle and sets off on a quixotic journey from the jungles of Indochina to the streets of Paris. In its memorable evocation of men both fleeing from and meeting the demands of battle, *Going After Cacciato* stands as much more than just a great war novel. Ultimately it's about the

forces of fear and heroism that do battle in the hearts of us all. Now with Extra Libris material, including a reader's guide and bonus content

A Novel Penguin

"Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.

Personal Choice, Popular Culture, and the Union Home Front Penguin

A "debut novel about a young Afghan orphan and the harrowing, intractable nature of war"--Amazon.com.

When Heaven and Earth Changed Places Bloomsbury Publishing USA

"Once an Eagle is simply the best work of fiction on leadership in print."

—General Martin E. Dempsey, 18th Chairman of the Joint Chiefs of Staff

Required reading for West Point and Marine Corps cadets, *Once An Eagle* is the story of one special man, a soldier named Sam Damon, and his adversary over a lifetime, fellow officer Courtney Massengale. Damon is a professional who puts duty, honor, and the men he commands above self-interest.

Massengale, however, brilliantly advances by making the right

connections behind the lines and in Washington's corridors of power.

Beginning in the French countryside during the Great War, the conflict

between these adversaries solidifies in the isolated garrison life marking

peacetime, intensifies in the deadly Pacific jungles of World War II, and

reaches its treacherous conclusion in the last major battleground of the Cold

War—Vietnam. Now reissued with a new foreword by acclaimed historian Carlo

D'Este, here is an unforgettable story of a man who embodies the best in our

nation—and in us all.

Soldier's Duty (Return of the Aghyrians Book 3) Simon and Schuster

April 13, 1945...The last days of WWII...Eight lone German soldiers surrendered. Instead of a POW camp, their steps took them into a shallow grave. John Dougall, an 18-year-old American soldier stood by as the murderous shots were fired. Laying there among the dead was Rudolph Haas, an officer whose death would burden John for a lifetime. John sought redemption in the rugged hills of Korea and in the swamps of Vietnam. Chaining him to remorse and guilt were the private thoughts of Haas, written carefully into the diary that John had taken from the German's body. Six decades later, fate gave John one last chance to set things right and make peace with his past. This is the story of two soldiers robbed of their happiness, yet both clinging fiercely to their honor; and the stories of their wives, as strong in heart as any warrior. The journey takes our heroes from the safety of South Carolina to the battlefields of Europe and from the frozen Siberian Gulag to the gothic cities of Bavaria. The secrets of the Journal connect them all and unbeknownst to John, spark a love that heals their hidden wounds.

Soldiers First Macmillan

The basis of the film starring Orlando Bloom and Scott Eastwood, *The Outpost* is the heartbreaking and inspiring story of one of America's deadliest battles during the war in Afghanistan, acclaimed by critics everywhere as a classic. At 5:58 AM on October 3rd, 2009, Combat Outpost Keating, located in frighteningly vulnerable terrain in Afghanistan just 14 miles from the Pakistani border, was viciously attacked. Though the 53 Americans there prevailed against nearly

400 Taliban fighters, their casualties made it the deadliest fight of the war for the U.S. that year. Four months after the battle, a Pentagon review revealed that there was no reason for the troops at Keating to have been there in the first place. In *The Outpost*, Jake Tapper gives us the powerful saga of COP Keating, from its establishment to eventual destruction, introducing us to an unforgettable cast of soldiers and their families, and to a place and war that has remained profoundly distant to most Americans. A runaway bestseller, it makes a savage war real, and American courage manifest. "The Outpost is a mind-boggling, all-too-true story of heroism, hubris, failed strategy, and heartbreaking sacrifice. If you want to understand how the war in Afghanistan went off the rails, you need to read this book." -- Jon Krakauer

A Novel Harper Collins

NATIONAL BESTSELLER • The Pulitzer Prize-winning journalist and bestselling author lends his remarkable narrative skills to the story of the most famous POW this country has known. In *I Am a Soldier, Too*, Bragg lets Jessica Lynch tell the story of her capture in the Iraq War in her own words--not the sensationalized ones of the media's initial reports. Here we see how a humble rural upbringing leads to a stint in the military, one of the most exciting job options for a young person in Palestine, West Virginia. We see the real story behind the ambush in the Iraqi Desert that led to Lynch's capture. And we gain new perspective on her rescue from an Iraqi hospital where she had been receiving care. Here Lynch's true heroism and above all, modesty, is allowed to emerge, as we're shown how she managed her physical recovery from her debilitating wounds and contended

with the misinformation--both deliberate and unintended--surrounding her highly publicized rescue. In the end, what we see is a uniquely American story of courage and true heroism.

Dogs on Duty Elle James

Eager to enlist, fifteen-year-old Charley has a change of heart after experiencing both the physical horrors and mental anguish of Civil War combat.

Once an Eagle Vintage

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

A Novel John Wiley & Sons

Two young combat officers, Majors Cindy Sherman and Bud Lewis, discover the dangerous politics within the military and become embroiled in a deadly game

that holds the future of the American military hostage.

Defining Duty in the Civil War

HarperCollins

Documenting his grandparents' experiences during the siege of Leningrad, a young writer learns his grandfather's story about how a military deserter and he tried to secure pardons by gathering hard-to-find ingredients for a powerful colonel's daughter's wedding cake.

Johnson, McNamara, the Joint Chiefs of Staff, and the Lies That Led to Vietnam

Harper Collins

Under the blazing Iraqi sun in the summer of 2007, Shannon Meehan, a lieutenant in the U.S. Army, ordered a strike that would take the lives of innocent Iraqi civilians. He thought he was doing the right thing. He thought he was protecting his men. He thought that he would only kill the enemy, but in the ruins of the strike, he discovers his mistake and uncovers a tragedy. For most of his deployment in Iraq, Lt. Meehan felt that he had been made for a life in the military. A tank commander, he worked in the violent Diyala Province, successfully fighting the insurgency by various Sunni and Shia factions. He was celebrated by his senior officers and decorated with medals. But when the U.S. surge to retake Iraq in 2006 and 2007 finally pushed into Baqubah, a town virtually entirely controlled by al Qaida, Meehan would make the decision that would change his life. This is the true story of one soldier's attempt to reconcile what he has done with what he felt he had to do. Stark and devastating, it recounts first-hand the reality of a new type of warfare that remains largely unspoken and forgotten on the frontlines of Iraq.

Going After Cacciato Simon and Schuster

Documents the contributions of specially trained military dogs, profiling noteworthy canine heroes while providing accessible coverage of such topics as how they are trained and what happens to them when they retire. By the author of *Saving Audie*.
