He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us. *Adolescents in the Search for Meaning* Random House

This study examines how various Japanese authors and other artists seeking artistic representation of traumatic Asia Pacific War experience have drawn upon their imaginative powers to create affect-

charged images of the extreme violence, psychological damage and ideological contradiction surrounding the conflict.

The Thief's Journal

Scarecrow Press

Jean Genet, French
playwright, novelist and
poet, turned the
experiences in his life
amongst pimps, whores,
thugs and other fellow
social outcasts into a
poetic literature, with an
honesty and explicitness
unprecedented at the

time. Widely considered
an outstanding and
unique figure in French
literature, Genet wrote
five novels between 1942
and 1947, now being
republished by Faber &
Faber in beautiful new
paperback editions. The
Thief's Journal is perhaps
Jean Genet's most
authentically
autobiographical novel;
an account of his
impoverished travels
across 1930s Europe. The
narrator is guilty of
vagrancy, petty theft and
prostitution, but his
writing transforms such

degradations into an
inverted moral code,
where criminality and
delinquency become
heroic. With a holy trinity
of his own making -
homosexuality, theft and
betrayal - in *The Thief's
Journal* Genet produced a
startlingly powerful novel
without precedent.

introduction by Ahdaf
Soueif.

Fighting Ruben Wolfe
Penguin

In an unnamed Third World country, in the not-so-distant future, three “dumpsite boys” make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special

and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It’s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a

powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.

Magic Realism in Holocaust Literature
Vintage

In the tradition of *The Orchid Thief*, a compelling narrative set within the strange and genteel world of rare-book collecting: the true story of an infamous book thief, his

victims, and the man determined to catch him. Rare-book theft is even more widespread than fine-art theft. Most thieves, of course, steal for profit. John Charles Gilkey steals purely for the love of books. In an attempt to understand him better, journalist Allison Hoover Bartlett plunged herself into the world of book lust and discovered just how dangerous it can be. John Gilkey is an obsessed, unrepentant book thief who has stolen hundreds of thousands of dollars

worth of rare books from book fairs, stores, and libraries around the country. Ken Sanders is the self-appointed "bibliodick" (book dealer with a penchant for detective work) driven to catch him. Bartlett befriended both outlandish characters and found herself caught in the middle of efforts to recover hidden treasure. With a mixture of suspense, insight, and humor, she has woven this entertaining cat-and-mouse chase into a narrative that not only

reveals exactly how Gilkey pulled off his dirtiest crimes, where he stashed the loot, and how Sanders ultimately caught him but also explores the romance of books, the lure to collect them, and the temptation to steal them. Immersing the reader in a rich, wide world of literary obsession, Bartlett looks at the history of book passion, collection, and theft through the ages, to examine the craving that makes some people willing to stop at nothing to possess the books they

love.
