SANTOS POLLARD

Prelude to a Witch Cosimo, Inc.

The Not So Wicked, Wicked Witch is a charming story about a witch that is in image only. After reading the story and getting to know Carter's witch, you realize that she has a heart of gold and is loving inside and out. A delightful book just in time for Halloween! www.thenotsowickedwickedwitch.com.

The Snow Queen. A Tale in Seven Stories (Illustrated)

HarperCollins

This Jamaican-inspired fantasy debut about two enemy witches who must enter into a deadly alliance to take down a common enemy has the twisted cat-and-mouse of Killing Eve with the richly imagined fantasy world of Furyborn and Ember in the Ashes. Divided by their order. United by their vengeance. Iraya has spent her life in a cell, but every day brings her closer to freedom—and vengeance. Jazmyne is the Queen's daughter, but

unlike her sister before her, she has no intention of dying to strengthen her mother's power. Sworn enemies, these two witches enter a precarious alliance to take down a mutual threat. But power is intoxicating, revenge is a bloody pursuit, and nothing is certain—except the lengths they will go to win this game. "A thundering waterfall of magic, vengeance and intrigue." —Samantha Shannon, New York Times & Sunday Times bestselling author of *The Priory of the Orange Tree* and *The Bone Season*.

Fantasy/Animation SRL Publishing Ltd

A New York Public Library Best Book for Teens 2021 To save a fae kingdom, a trans witch must face his traumatic past and the royal fiancé he left behind. In *Asalin*, fae rule and witches like Wyatt Croft...don't. Wyatt's betrothal to fae prince Emyr North was supposed to change that. But when Wyatt lost control of his magic one devastating night, he fled to the human world. Now a coldly distant Emyr has hunted him down. Despite transgender Wyatt's newfound identity and troubling past, Emyr claims they

must marry now or risk losing the throne. Jaded, Wyatt strikes a deal with the enemy, hoping to escape Asalin forever. But as he gets to know Emyr again, Wyatt realizes the boy he once loved may still exist. And as the witches face worsening conditions, he must decide what's more important—his people or his freedom. Don't miss the next book in H.E. Edgmon's highly anticipated duology, *THE FAE KEEPER*, AVAILABLE MAY 31, 2022

Witchy Tales Routledge

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere.

Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.

The Witchery (The Witchery, Book 1) Penguin UK

Reproduction of the original: *A World of Girls* by L.T Meade

Flip the Witch Switch HarperCollins UK

Bay Winchester has battled ghosts, shades, poltergeists ... and sometimes her own family. It's the latter giving her fits now. Well, and Hemlock Cove's younger set of course. Bay thought the worst was behind her when she modified the memories of four tempestuous teenagers bent on stealing magic and wielding it in a tyrannical manner. Unfortunately for her, when one of those teenagers ends up dead behind the inn her father owns, things start to spiral. The girl's death is ritual in fashion, bloody runes painted on the trees, and Bay can't wrap her head around exactly what has happened. Then things get worse when dark figures start appearing in windows, black ghosts threatening Bay and her family at every turn. Between the horror haunting Hemlock Cove and the annoying presence of Bay's former boss and his current fiancée, who just so happens to be a distant relative, Bay has her hands full ... and that's before her cousin Clove's baby starts displaying a rather interesting skillset that is going to force accommodations within the family. All Bay wants is a little break to plan her wedding and look forward to happily ever after with her fiancé Landon Michaels. What's she's going to get is a whole lot of trouble. Bay's growing powers are drawing in a new element

of evil. It's going to take everything she has - and a little help from Aunt Tillie - to fight the ultimate battle. Survival isn't a given but Bay is determined to make it to her big day. No matter what.

While on his way to his music lesson a little boy becomes enchanted by all the animals that are singing in the woods.

The Wonderful Wizard of Oz Harlequin

New England has a rich, dark history with the supernatural. From this region many writers of dark fiction have fueled their stories. One chapter in history has been the stuff of legends and nightmares: the Witch. Look to ancient mythology or your next door neighbor and you will find them, practicing arts both Dark and Light. The New England Horror Writers proudly present a new anthology which pays tribute to those whose ancestors were accused, hung, pressed, drowned, or burned at the stake. Enter these pages, wander the hard roads of Colonial America or modern corporate boardrooms, to face the Witch. *Wicked Witches*, fiction from New England's most talented writers: G.D. Dearborn, Barry Lee Dejasu, Peter N. Dudar, Jeremy Flagg, Joshua Goudreau, Catherine Grant, Jan Kozlowski, Patrick Lacey, Izzy Lee, Nick Manzolillo, John McIlveen, Paul McMahon, James A. Moore, Errick A. Nunnally, Ogmios, Suzanne Reynolds-Alpert, Doug Rinaldi, Rob Smales, Morgan Sylvia, K.H. Vaughan, Morven Westfield and Trisha J. Wooldridge Introduction by Penny Dreadful; Cover art by Mikio Murakami

It's Music Time CreateSpace

Look out Hemlock Cove, Aunt Tillie is on a rampage. What else is new, right? She's determined to move her wine business to the next level, and she needs twenty-four hours of peace and quiet to do it. There's only one thing standing in her way. Well, make that a whole family of obstacles ... and one ticked-off FBI agent. When cousins Bay, Clove and Thistle vow to stop their great-aunt's wine endeavor in its tracks, Aunt Tillie is forced to come up with a unique solution. In order to keep her great-nieces out of her hair, she curses them into a book of fairy tales. Of course, because it's Aunt Tillie, these aren't normal fairy tales. They're the fairy tales she created - with a little inspiration from the classics. Now Bay, Clove and Thistle have to work their way through a labyrinth of stories they haven't heard since they were kids - and they have to take Landon, Marcus and Sam along for the ride. Will Bay get eaten by bears? Will Thistle kiss a frog? Will Sam climb Clove's hair to rescue her from a tower? And, better yet, will Landon turn himself into a prince and slip a glass slipper on Bay's foot? Each task becomes harder as the story progresses, and as the tales darken, things start to become dangerous. Can the Winchester witches survive Aunt Tillie's twisted mind? Or will they be lost in a book forever?

The Witch Family Indiana University Press

An in-depth view of the way popular female stereotypes were reflected in—and were shaped by—the portrayal of women in Disney's animated features. In *Good Girls and Wicked Witches*, Amy M. Davis re-examines the notion that Disney heroines are rewarded for passivity. Davis proceeds from the assumption that, in their representations of femininity, Disney films both reflected and helped shape the attitudes of the wider society, both at the time of their first release and subsequently. Analyzing the construction of (mainly human) female characters in the animated films of the Walt Disney Studio between 1937 and 2001, she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes. Davis argues that it is within the most constructed of all moving images of the female form—the heroine of the animated film—that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found. "A fascinating compilation of essays

in which [Davis] examined the way Disney has treated female characters throughout its history." —PopMatters

Handsome Heroes & Vile Villains Ballantine Books

Bay Winchester and Landon Michaels are looking for a romantic outing, revisiting the past now that they know they met as children. That trip leads them to the camp they visited back in the day ... and to a new adventure. It's a happy excursion down memory lane until they happen upon the old pool and discover a hand poking out of an ancient cover. That means their day off becomes an official investigation. Once identification comes through, Bay starts digging ... and hard ... to find out why a young woman writing a book would go missing in Hemlock Cove. The information she finds is disturbing ... and the answers to the present case may come from the past, and a long-forgotten missing person's case. There's a lot going on. Mrs. Little is trying to buy the property and wants the crime kept secret, which means Aunt Tillie is on a rampage to make sure her mortal enemy doesn't win ... even if the prize is something she doesn't really want. The Winchester witches are in turmoil. The local police chief is officially dating Bay's mother, one of their own is keeping a huge secret, and they have a wedding coming up so that means dress fittings and place setting decisions galore. Bay is on deck and has to figure it all out. She's going to need help to do it. Even then, with her team in place, she might not come out on the winning side. There's a killer hiding in the shadows and death is coming. It's going to take everyone working together to uncover the truth. Can they pull it off?

Wicked Indiana University Press

Emerson Goes to the Movies: Individualism in Walt Disney Company's Post-1989 Animated Films traces the theme of Emersonian individualism in the Walt Disney Company's post-1989 animated films, to reveal that the philosopher's influence extends not only over American literature, but also over American popular culture, in this case Disney cartoons. It proves that individualism in its Emersonian formulation of self-reliance, even if questionable in late 20th and 21st century literature, is still very much alive in popular culture. Disney films are heavy with ideology and American national myths, and, because of their educational role, it seems relevant to acknowledge this dimension and discuss the sources of the Disney worldview. This book, instead of focusing on Disney's influence upon its audience, concerns rather what influences Disney, how Disney reflects the American mentality, and how the idea of individualism is depicted in the Company's particular films. The principal way of reading particular Disney films is the Cultural Studies approach. Thus, the book presents Romantic individualism with reference to such categories as race, gender, class, and imperialism. The idea behind such an approach is to see how various cultural fields intersect with individualism: whether individualism means the same for men and women; whether, as an American ideology, it succeeds at erasing differences when applied to exotic and non-individualist cultures; whether the individual turns out to be stronger than all social divides; and whether individualism can be seen as informing the American mentality on a national scale.

The School for Good and Evil (The School for Good and Evil, Book 1) JOHN LIBBEY PUBLISHING

NEW YORK TIMES BESTSELLER • From the beloved author of the Vampire Chronicles, the first installation of her spellbinding Mayfair Chronicles—the inspiration for the hit television series! "Extraordinary . . . Anne Rice offers more than just a story; she creates myth."—The Washington Post Book World Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery—aware that she has special powers but unaware that she comes from an ancient line of witches—finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who

was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and—in passionate alliance—set out to solve the mystery of her past and his unwelcome gift, an intricate tale of evil unfolds. Moving through time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the Louis XIV's France, and from the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, *The Witching Hour* is a luminous, deeply enchanting novel. The magic of the Mayfairs continues: **THE WITCHING HOUR** • LASHER • TALTOS

Discussing Disney Virago Press

This book examines the relationship that exists between fantasy cinema and the medium of animation. Animation has played a key role in defining our collective expectations and experiences of fantasy cinema, just as fantasy storytelling has often served as inspiration for our most popular animated film and television. Bringing together contributions from world-renowned film and media scholars, *Fantasy/Animation* considers the various historical, theoretical, and cultural ramifications of the animated fantasy film. This collection provides a range of chapters on subjects including Disney, Pixar, and Studio Ghibli, filmmakers such as Ralph Bakshi and James Cameron, and on film and television franchises such as Dreamworks' *How To Train Your Dragon* (2010-) and HBO's *Game of Thrones* (2011-).

A World of Girls Arcturus Publishing

For nearly 80 years, Disney's animated movies have enriched American popular culture, while their aggressive marketing has made the company a powerhouse. Now, some question whether Disney presents good role models for the children who are seen as their core audience. *True Love's Kiss* looks closely at the films to address this important issue. In clear and engaging prose, the author traces the development of Disney's romance genre, showing how the films reflect changing gender roles and cultural values. *True Love's Kiss* will interest both fans and foes of these classic Disney movies, and provides a valuable introduction to film theory.

The Witch King CreateSpace

Meet Rose and Ruby: sisters, best friends, confidantes, and conjoined twins. Since their birth, Rose and Ruby Darlen have been known simply as "the girls." They make friends, fall in love, have jobs, love their parents, and follow their dreams. But the Darlens are special. Now nearing their 30th birthday, they are history's oldest craniopagus twins, joined at the head by as pot the size of a bread plate. When Rose, the bookish sister, sets out to write her autobiography, it inevitably becomes the story of her short but extraordinary life with Ruby, the beautiful one. From their awkward first steps -- Ruby's arm curled around Rose's neck, her foreshortened legs wrapped around Rose's hips -- to the friendships they gradually build for themselves in the small town of Leaford, this is the profoundly affecting chronicle of an incomparable life journey. As Rose and Ruby's story builds to an unforgettable conclusion, Lansens aims at the heart of human experience -- the hardship of loss and struggles for independence, and the fundamental joy of simply living a life. This is a breathtaking novel, one that no reader will soon forget, a heartrending story of love between sisters.

Angela Carter's Book of Wayward Girls and Wicked Women Scholastic Inc.

This bestselling collection of stories extols the female virtues of discontent, sexual disruptiveness and bad manners Here are subversive tales - by Ama Ata Aidoo, Jane Bowles, Angela Carter,

Colette, Bessie Head, Jamaica Kincaid and Katherine Mansfield among others - all have one thing in common: the wish to restore adventuresses and revolutionaries to their rightful position as models for all women. Reflecting the wide-ranging intelligence and deliciously anarchic taste of Angela Carter, some of these stories celebrate toughness and resilience, some of them low cunning: all of them are about not being nice.

The Witching Hour Penguin

The Snow Queen is a fairy tale by Hans Christian Andersen. It is his longest story and is considered by many as his best work. This edition includes color illustrations by Edmund Dulac.

Nine-year-old Maureen is the terror of her neighborhood until the day she begins to explore an old deserted estate and encounters a leprechaun and seven strange ladies.

The Wicked Pigeon Ladies in the Garden Indiana University Press
Bay Winchester is living the high life. She's engaged, owns her own business, and is undergoing a magical transformation, complete with growing powers at every turn. All that changes

when a local teenager goes missing at a festival and nobody knows who took her. The girl's friends saw the abduction but the description they provide doesn't match anybody in town. The only other witness is Marcus, her cousin Thistle's boyfriend, and he was seriously injured in the attack and can't provide additional information. Bay is determined to solve the case, although she's not sure where to look. On top of that, her normal partner in crime is otherwise engaged, which means her mother has decided to tag along for the ride. Bay is the sort of witch who is willing to put herself on the line to save those who need saving. Unfortunately, this time around, the answers she finds only lead to more questions. On top of that, her great-aunt Willa and cousin Rosemary have arrived in town out of nowhere and they seem to be harboring their own secrets, and it's something that could change the entire trajectory of Bay's life. The Winchesters are loyal, and it's going to take all of them working together to solve this one. It seems new magic is afoot, and whoever is wielding it is deadly. Magic, mystery and mayhem are about to collide. Batten down the hatches. The Winchesters are about to take you on a wild ride.
