Originally published in 1952, this restored autobiographical novel about prison life is now presented in its entirety and captures the harsh realities, determination, and persistence of humanity in the prison world. Reprint. K. PW.

A Novel Based on Real Events

Routledge

When his best friend is killed, Isaac Sidel

looks for revenge in the Bronx. Though incorruptible—at least by New York Police Department standards—Detective Isaac Sidel knows that sometimes it's useful to look a little dirty. To gain access to the Bronx-based Guzmann crime syndicate, rumored to be building a human trafficking operation in Spanish Harlem, Sidel had himself kicked off the force on a corruption charge. With the help of Manfred Coen, a young cop whom Sidel once mentored, he posed as a desperate, dirty cop in hopes of infiltrating the Guzmann family. The gamble got Coen killed, and left Sidel with nothing but guilt, bruises, and a

tapeworm. Now the detective craves revenge. To break down the syndicate, he targets Patrick Silver, the Guinness-addicted handler of forty-four-year-old man-child Jerónimo Guzmann. When a crush on Odile, porn queen of the Bronx, confuses Patrick's loyalty, the family begins to tear itself apart. It's up to Isaac Sidel to make sure they don't take the city with them.

Four plays dramatize the trials of Horace Robedaux, whose father's sudden death places Horace between his father's and his mother's families

The code of civil procedure. The criminal code. The constitution of the United States and South Carolina, and rules of courts
 Convict's Candy CONVICT'S CANDY is based on a teen-aged, pre-op transsexual named Candy, who gets arrested and sent to federal prison exactly one week before her scheduled sex-change operation. Still having male organs, Candy is housed with strong, masculine, handsome male inmates who haven't been around or touched a woman in years. Candy soon finds herself being caught in several love affairs with men with families, girlfriends and wives at home waiting for them to be released. But Candy doesn't kiss and tell; she understands the code of silence: what happens in prison stays in prison... . CONVICT'S CANDY deals with sexual identity, prostitution and homosexuality within the prison system, the interactions and relationships between the inmates and officers, infidelity and most importantly, explains how the HIV virus spreads rampantly within the prison. It also reveals how the dangerous and deadly disease is transmitted within society, when infected inmates are released to go home. The Selected Works

of Eric Partridge
 AND GOD CREATED WOMAN, a sophisticated, provocative story that chronicles the evolutionary journey of four flawed African-American women, as they overcome their individual struggles, and survive to become beautiful and stronger. It's a ground-breaking tale of perseverance, filled with many moral messages. Taking readers on an emotional journey with enticing plots, twists and turns, Tristan, Mecca, Shawn and Melanie are forced to realize the true essence and beauty of a woman.

Alcatraz Screw is a firsthand account from a prison guard's perspective of some of

the most storied years at the infamous U.S. Penitentiary at Alcatraz. George Gregory began his career as a guard for the Federal Bureau of Prisons in 1940. Following his training, he was sent to the federal prison at Sandstone, Minnesota. A few years later he enlisted in the Marine Corps. Badly wounded at Iwo Jima, he returned to Sandstone after a long rehabilitation. When the Bureau of Prisons closed Sandstone in 1947, Gregory was transferred to Alcatraz, which had been a federal penitentiary since 1934. For the next fifteen years, Gregory worked on "The Rock." He takes the reader along on a correctional officer's tour of duty, showing what it was like to pull a lonely, tedious night of sentry duty in the Road Tower, or witness illicit transactions in the clothing room, or forcibly quell a riot in the cell blocks. Gregory provides an insider's account of the tenures of all four of Alcatraz's wardens and their sometimes contradictory approaches to administering the institution. He knew and regularly interacted with such legendary inmates as Robert Stroud (the Birdman of Alcatraz) and George "Machine Gun" Kelly. Without glamorizing or demonizing either the staff

or the convicts, Alcatraz Screw provides a candid portrayal of corruption, drug abuse, and sexual practices, as well as efforts at reform and unrecorded acts of kindness. Various incidents in the memoir convey the fear, hatred, frustration, boredom, and unavoidable tension of being incarcerated. With the inclusion of maps and diagrams of Alcatraz Island, as well as photographs of inmates, officers, and the prison itself, this book offers insight into life at the notorious Alcatraz from an unprecedented perspective.

This set reissues important selected works by Eric Partridge, covering the period from 1933 to 1968. Together, the books look at many and diverse aspects of language, focusing in particular on English. Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge's best work. The books are creative, as well as practical, and will provide enjoyable reading for both scholars and the more general reader, who has an interest in language and linguistics.

In for Life, a Convict's Story Grove Press
Orphaned at the age of thirteen, Jennifer lives with her Aunt Elizabeth in the historic Tasmanian suburb of Battery Point. After her aunt moves into assisted care following some dementia-related incidents, Jennifer studies law with her best friend, Mary, at the University of Tasmania. To help with expenses, she rents rooms to two over-sexed fellow law students, Rod and Nathan, and a police officer, Cindy, who has anger-management issues. While working part-

time as a private investigator, she becomes involved in the investigation of an international serial killer who dresses his victims like Barbie dolls and is nicknamed The Barbie Slasher by the press. Joining forces with the FBI, the local police and an American mercenary, Jennifer agrees to use herself as bait to catch a hitman with links to the killer. But it is Jennifer and her friends who are caught and earmarked to become part of the deadly “doll collection.” Jennifer Shot – Another Shot is a humorous thrill-a-minute murder mystery.

The Prison Writings of Red Hog W. W. Norton & Company

When Amanda Lewis is abducted on a Utah freeway by a man posing as a state trooper, she fears for her life. Especially when it is revealed that her two abductors are also escaped convicts. The convicts are brothers who were serving life sentences for burglary, rape and murder! And when the real state trooper dies on her lap, it is more than she can bear. She witnesses Dennis killing people in his path, simply because he can. Amanda soon learns who has the brains and who has the heart among these two brothers and she

will use her motherly instincts to try to win the trust and compassion of Robert, in hopes that she will be able to convince him to let her go, before she becomes the next to die. But sadly, Robert has always been a follower of his older brother and even fears him. So the manhunt for these killers will take them through three states, while Amanda prays she'll make it home alive!

Convict Life Macmillan

This landmark study offers a rogues' gallery of women—from the Colonial Era to the 20th century—who answered abuse and oppression with murder: “A classic” (Gloria Steinem). Women rarely resort to murder. But when they do, they are likely to kill their intimates: husbands, lovers, or children. In *Women Who Kill*, journalist Ann Jones explores these homicidal patters and

what they reflect about women and our culture. She considers notorious cases such as axe-murderer Lizzie Borden, acquitted of killing her parents; Belle Gunness, the Indiana housewife turned serial killer; Ruth Snyder, the “adulteress” electrocuted for murdering her husband; and Jean Harris, convicted of shooting her lover, the famous “Scarsdale Diet doctor.” Looking beyond sensationalized figures, Jones uncovers different trends of female criminality through American history—trends that reveal the evolving forms of oppression and abuse in our culture. From the prevalence of infanticide in colonial days to the poisoning of husbands in the nineteenth century and the battered wives who fight back today, Jones recounts the tales of dozens of women whose stories, and reasons, would otherwise be lost to history. First published in 1980, *Women Who Kill* is a “provocative book” that “reminds us again that women are entitled to their rage.” This 30th anniversary edition from Feminist Press includes a new introduction by the author (New York Times Book Review).

Book

When the British took control of the Indian Ocean island of Mauritius soon after the abolition of the slave trade, they were

faced with a labour-hungry and potentially hostile Franco-Mauritian plantocracy. This book explores the context in which Indian convicts were transported to the island and put to work building the infrastructure necessary to fuel the expansion of the sugar industry. Drawing on hitherto unexplored archival material, it is shown how convicts experienced transportation and integrated into the Mauritian social and economic fabric.
