PATRICK ALINA

AQA GCSE Biology Teacher Handbook (Third Edition) Nelson Thornes
 Biology For You has been updated to offer comprehensive coverage of the revised GCSE specifications. It can be used with either mixed ability or streamed sets and higher tier materials are clearly marked.
Top Biology Grades for You Oxford University Press - Children
 This Workbook will support and motivate students working in grades 8-9 students to reach their full potential and achieve success with targeted questions and support. * Provides plenty of practice opportunities for short- and long-answer questions on every topic* Helps students improve and focus their answers with worked examples* Further support from hints and tips on how to structure answers, provide the right level of detail and more The range of questions available encourages students to develop their skills in applying and analysing as well as recall. The workbook provides coverage of maths and practical skills as well as synoptic questions. Frequent support notes

provide hints and tips on strategies for decoding questions (for example by identifying key words in the question), key terminology, and how to write explanations and give the right amount of detail.

New GCSE Physics AQA Grade 8-9 Targeted Exam Practice Workbook (includes Answers)
 Cambridge University Press
