Queens of the Stone Age - Villains

Hal Leonard Corporation
This updated edition of the bestselling biography now includes new interviews with the band conducted by the author between 2010 and 2012, including many extremely personal, never-before-seen passages. Alongside this is a detailed new chapter to the book, covering the extensive world tour for 'The Resistance'

and the relationship break-ups, wild LA rock 'n' roll parties, alcohol addictions and recoveries that led to the writing and recording of Muse's most recent album The 2nd Law. Exploring the meanings behind the songs themselves, the chapter concludes with first-hand accounts of several up-close-and-personal live shows and looks forward to the huge stadium tour of the summer.
