### **Machiavelli for Women**

Hay House, Inc  
"The Prince" is a political  
treatise by Machiavelli  
that is not considered to  
be representative of the  
work published during his  
lifetime, but is the most  
remembered. The  
theories in this book  
describe methods that an

aspiring prince can use to  
acquire the throne, or an  
existing prince can use to  
maintain his reign. These  
theories include defense  
and military, perceived  
reputation, generosity,  
cruelty versus mercy,  
gaining honors, fortune  
and a number of other  
discourses. It is customary  
for such as seek a Prince's  
favour, to present  
themselves before him  
with those things of theirs

which they themselves  
most value, or in which  
they perceive him chiefly  
to delight. Accordingly, we  
often see horses, armour,  
cloth of gold, precious  
stones, and the like costly  
gifts, offered to Princes as  
worthy of their greatness.  
*Machiavelli* Atlantic  
Monthly Press  
Discourses on Livy is the  
founding document of  
modern republicanism,  
and Harvey C. Mansfield

and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos.

"[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times*

"Translated with painstaking accuracy—but also great readability."—*Weekly Standard*

"A model of contemporary scholarship and a brave effort at

Machiavelli translation that allows the great Florentine to speak in his own voice."—*Choice*

**What I Know About Germans** Grand Central Publishing

Haunted by history. Bound by mystery. Lori Chase doesn't know what to think about ghosts. She may have seen a few in the past, but those were just childish imaginings . . . right? Only now that she is living in Gettysburg, Pennsylvania, spirits seem to be on everyone's mind. The town is obsessed with its bloody Civil War

history, and the old inn that Lori's parent run is supposedly haunted by the souls of dead soldiers. Then Lori meets one such soldier -- the devastatingly handsome Nathaniel Pierce. Nathaniel's soul cannot rest, and he desperately needs Lori's help. Because Nathaniel was not killed in the famous battle. He was murdered. Lori begins to investigate the age-old mystery, stumbling upon shocking clues and secrets. At the same time, she can't help falling for Nathaniel, just as he is

falling for her . . . .

**Garments of Court and Palace** Civitas Books  
The highly anticipated anthology from music industry executive Aiyisha T. Obafemi chronicles and commemorates the societal, and cultural contributions of legendary icon, Tupac Amaru Shakur. Tupac Amaru Shakur, is unquestionably hailed as one of the most influential rappers of all time. Known to many by his stage names 2pac and Makaveli, his contributions to the entertainment industry

and the world as a songwriter and actor consciously shaped the destiny of scores of generations through his unapologetic activism and efforts to shed light against a backdrop of an America in search of justice for all. Born June 16, 1971, in East Harlem, New York, NY as the son of Black Panthers, Tupac's destiny was to challenge societal norms that far too often justified inequality and systemic oppression. Through an offering of poignant, unabridged, stories and anecdotes, A

Light On A Hill is an unyielding compilation told through the eyes of a vast array of cultural icons and influencers who recognized the heroism in documenting divine wisdom and insight imparted by Tupac prior to his untimely passing. Candid interviews from Angie Martinez, Bun B., D.J. Trauma, Marshawn Lynch, Free Marie, Omari Hardwick, YZ, D-Nice, April Walker, David Banner, Big Krit, Chaka Zulu, Terri J. Vaughn, Shanti Das, Stephen Hill, Mack Wilds, and more

with a moving foreword by Sway Calloway, and afterword by Tupac's sister, Set Shakur serve to further preserve his genius and commemorate his 50th birthday.

Tupac: The Coloring Book - Until the End of time chronicles the life and work of Tupac Shakur from birth until his final days. It has more than 60 original drawings for you to creatively color, and it includes clippings and timelines from his life. This coloring book was

illustrated by Ronald "Riskie Forever" Brent, the Death Row Records album cover artist who personally created the iconic Makaveli the Don Killuminati: The 7 Day Theory cover for Tupac just before his untimely death.

### **Machiavelli's Politics**

Simon and Schuster  
Most of us believe in information. Some believe in truths, while others believe in magic. Information is what we can see, truth is what we feel, and magic is what we instinctively know is

true. On December 4th 1981 the president of the United States issued Executive Order 12333 concerning the activities of the intelligence community. Paragraph 2.11 of that order states; "No employee of the United States Government shall engage in, or conspire to engage in assassination." But upon learning of the political ties and aspirations of one charismatic young entertainer and philanthropist, certain agencies broke that order in the fall of 1996 when

the star was killed in a barrage of bullets fired by a confidential informant commissioned for just such an act. After a decade of silence the files have been unsealed and the shooter will now be revealed. Some call him a hero, others say he's a villain, and some even call him a god. The White Book provides a glimpse at man's perspectives of the cultural history of the United States: assassination, government cover-ups, and his perpetual pursuit of what sets us all free:

the truth.

[How to Fix Your Credit and Play the Game Like the Rich](#) Lexington Books

From the NPR host of The Indicator and correspondent for Planet Money comes an "accessible, funny, clear-eyed, and practical" (Sarah Knight, New York Times bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of Feminist Fight Club, Lean

In, and Nice Girls Don't Get the Corner Office. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about

20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli "with this delicious look at what we have to gain by examining our relationship to power" (Sally Helgesen, New York Times bestselling author). Using *The Prince* as a guide and with charm and

wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. "Machiavelli For Women is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must-read for every woman ready to wield power unapologetically" (Claire Shipman, coauthor of *The Confidence Code*). **The 48 Laws of Power** 13th & Joan

Publishing Corp. This work argues that women should settle for nothing less than greatness. It outlines the strategy women should adopt in order to achieve successful relationships with bosses, clients, lovers and parents. The book also discusses how to become powerful without becoming a man. [The Essential Writings of Machiavelli](#) University of Chicago Press Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the

definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of

figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-

defense, or simply to understand the rules of the game.

**The Prince** Voyageur Press

A new collection of thought-provoking essays by the best-selling author of *Losing the Race* examines what it means to be black in modern-day America, addressing such issues as racial profiling, the reparations movement, film and TV stereotypes, diversity, affirmative action, and hip-hop, while calling for the advancement of true racial equality. Reprint.

**Black Diamond** Riskie

Forever Publishing

The author of *The Prince*—his controversial handbook on power, which is one of the most influential books ever written—Niccolò Machiavelli (1469-1527) was no prince himself. Born to an established middle-class family, Machiavelli worked as a courtier and diplomat for the Republic of Florence and enjoyed some small fame in his time as the author of bawdy plays and poems. In this discerning new biography, Ross King

rescues Machiavelli's legacy from caricature, detailing the vibrant political and social context that influenced his thought and underscoring the humanity of one of history's finest political thinkers.

Large Print Good Press

A chronicle of the life and career of the rapper Tupac Shakur, which offers a collection of previously unpublished interviews, writings, and private photographs that provide a portrait of the influential late musician.

Createspace Independent Publishing Platform  
 After introducing the open-focus technique, Dr. Joe Dispenza moves into the practice of finding the present moment. When listeners discover the sweet spot of the present moment and forget about themselves as the personalities they have always been, they have access to other possibilities that already exist in the quantum field. That's because they are no longer connected to the same body-mind, to

the same identification with the environment, and to the same predictable timeline.

Dead Wrong Bloomsbury Publishing PLC

A hilarious tribute to the quirks of the Germans lovingly compiled by an Australian expat.

*Lion's Blood* Other Press, LLC

“[An] engrossing, damning tale of widespread unchecked corruption in one of the nation’s largest police departments, one that deserves attention . . . Exhaustively researched .

. . The most thorough examination of these much-publicized events.”—Boston Globe, on *Labyrinth* In 2002, acclaimed journalist Randall Sullivan’s groundbreaking book *Labyrinth* ignited a firestorm with its startling disclosures about corruption in the LAPD. It told the story of Russell Poole, a highly decorated LAPD detective, who uncovered a cabal of “gangsta cops” tied to Marion “Suge” Knight’s notorious rap label, Death Row Records, and

allegedly to the murders of Tupac Shakur and the Notorious B.I.G. Over twenty years later, no one has been held accountable for their killings. Now *Dead Wrong* tells the story of the last sixteen years in the B.I.G. investigations, and uncovers the conspiracy of silence that met the estate's wrongful death suit against the City. Back in 2001, an eyewitness identified the man who shot Biggie as Amir Muhammad, a man who was former LAPD officer, Death Row associate, and

convicted bank robber David Mack's college roommate and the only man to visit him in prison. Poole's investigation was repeatedly directed away from Mack and Muhammad, and the wrongful death lawsuit sought to make the city explain why—but instead, investigators encountered a disturbing pattern of selective investigation, hidden evidence, and possible witness tampering. Exclusive interviews with the FBI's lead investigator of the Biggie murder

demonstrate a conspiracy that went to the top, and which implicates some of the most powerful men in law enforcement nationally. A gripping investigation into murder, police corruption, and the corridors of power in Los Angeles, *Dead Wrong* is full of shocking revelations about a mystery that continues to hold us twenty years on.
