Sur une île au large de la Caroline du Nord vivent les hematoï, des individus au sang pur et aux pouvoirs divins capables de maîtriser les quatre éléments. Ceux dont la lignée a connu un métissage sont contraints de choisir leur destin : intégrer le corps des Sentinelles du Covenant pour chasser les démons, leurs ennemis originels, ou être réduits à la servitude. De retour depuis peu au Covenant pour des raisons qui lui appartiennent,

Alexandria n'a pas le choix : fille d'une hématoï et d'un simple mortel, elle se doit de réussir l'examen lui permettant de devenir Sentinelle. L'institution applique une discipline de fer, et les relations entre sang-pur et sang-mêlé sont formellement interdites, sous peine d'exclusion, ou pire. Une règle qui pourrait être simple si Aiden, un sang-pur aux yeux couleur d'orage qu'Alex convoite depuis toujours, n'avait pas été désigné comme son entraîneur personnel...

From the #1 New York Times bestselling author of Wait for You and Be with Me comes a daring tale that pushes boundaries . . . At 21, Calla hasn't done a lot of things. She's never been kissed, never seen the ocean, never gone to an amusement park. But growing up, she witnessed some things no child ever should. She

still carries the physical and emotional scars of living with a strung-out mother, Mona—secrets she keeps from everyone, including her close circle of college friends. But the safe cocoon Calla has carefully built is shattered when she discovers her mom has stolen her college money and run up a huge credit card debt in her name. Now, Calla has to go back to the small town she thought shed left behind and clean up her mom's mess again. Of course, when she arrives at her mother's bar, Mona is nowhere to be found. Instead, six feet of hotness named Jackson James is pouring drinks and keeping the place humming. Sexy and intense, Jax is in Calla's business from the moment they meet, giving her a job and helping her search for Mona. And the way he looks at her makes it clear he wants to get horizontal . . . and maybe something more. Before Calla can let him get close, though, she's got to deal with the pain of the past—and some very bad guys out to mess her up if she doesn't give them her mom.

*Dictionnaire des jeux familiers, ou des amusemens de société* Jeu de patience Ne jamais ôter son bracelet, être ponctuelle, ne pas attirer l'attention : tels sont les trois préceptes qu'Avery s'est imposé pour son entrée à la fac. Une stratégie que le séduisant Cameron Hamilton pourrait bien déjouer à coups de regard pénétrant et de sourire enjôleur. Patient et obstiné, lorsque Cam a jeté son dévolu sur quelqu'un, il ne recule devant rien - rien, excepté peut-être le passé d'Avery, qui semble s'acharner à ressurgir... Ensemble, seront-ils capables d'affronter le souvenir de cette terrible nuit qui, cinq ans auparavant et à des kilomètres de là, a tout changé ? Wait for You

Discover the New York Times bestselling Lux series, which RT

Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of

promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

*Till Death* Simon and Schuster

The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

### A de Vincent Novel Entangled: Brazen

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
