### *Rethinking History Instruction Sphere*

From the author of *Shelter Me*--a funny and poignant novel about having your heart in the right place. Newly divorced Dana Stelgarten has always been unfailingly nice- even to telemarketers-but now her temper is wearing thin. Money is tight, her kids are reeling from their dad's departure, and her Goth teenage niece has just landed on her doorstep. As she enters the slipstream of post-divorce romance and is befriended by the town queen bee, Dana finds that the tension between being true to yourself and being liked doesn't end in middle school... and that

sometimes it takes a real friend to help you embrace adulthood in all its flawed complexity.

In her insider's look at American emergency and disaster management, Juliette distills years of professional experience into smart, manageable guidelines for keeping your family safe in an unpredictable world. From stocking up on coloring books to stashing duplicate copies of valuable papers out of state, Juliette's wisdom does more than just prepare us to survive in an age of mayhem--it empowers us to thrive. Her message, the result of years working where tragedy has thrived, is ultimately positive: starting in our homes, each of us--every mom, dad, aunt, uncle, yes every citizen--has the capacity to build a more resilient nation. *Security Mom* is an utterly modern tale about the

highs and lows of having-it-all parenthood and a candid, sometimes shocking, behind-the-scenes look inside the high-stakes world of national security.

#### The Juliette Society, Book II: The Janus Chamber Sphere

The thrilling second installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. It should have taken Juliette a single touch to kill Warner. But his mysterious immunity to her deadly power has left her shaken, wondering why her ultimate defense mechanism failed against the person she most needs protection from. She and Adam were able to escape Warner's clutches and join up with a group of rebels, many of whom have powers of their own. Juliette will finally be able to actively fight against The Reestablishment and try to fix her broken world. And perhaps these new allies can help her shed light on the secret behind Adam's—and Warner's—immunity to her killer skin. Juliette's world is packed with high-stakes action and tantalizing romance, perfect for fans of the Red Queen series by Victoria Aveyard and the Darkest Minds trilogy by Alexandra Bracken. Ransom Riggs, #1 New York Times bestselling author of Miss Peregrine's Home for Peculiar Children, raved: "A thrilling, high-stakes saga of self-discovery and forbidden love, the Shatter Me series is a must-read for fans of dystopian young-adult literature—or any literature!" And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

#### Pompadour Harper Collins

A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she

struggles to find inspiration in her work or at home - until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. What started as a routine story quickly becomes Catherine's obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets: a fascination with kink, lustful men, and some very sexy intrigue. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex? Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time?

#### Justine Montlake Romance

In 1830, a young woman named Juliette Magill Kinzie moved from her fancy home in Connecticut to a rustic log cabin in what would later be called Wisconsin. Juliette lived there with her husband, John, who worked as an Indian agent at Fort Winnebago, one of Wisconsin's earliest settlements. While living at the fort, Juliette came to know the Indian communities that called the land home, as well as the non-Indian settlers who were moving in. She later wrote a best-selling book about her experiences, Wau-Bun: The 'Early Day' in the Northwest, an important first-person account of life on the frontier. This new biography in the Badger Biographies Series turns the lens on the writer herself, detailing her life as she detailed the lives of those she encountered in the 1830s and 1840s. Juliette Kinzie: Frontier Storyteller details war, hunger, and the rapidly changing times Juliette witnessed on the Midwestern frontier, following the pioneering woman through her own

changes from socialite to pioneer to famous writer and even to the work of her granddaughter, Juliette Gordon Low, who founded the Girl Scouts of the USA in 1912.

In this “outstanding volume” (Boston Herald) that “ought to be at the top of everyone’s must-read list” (Essence), Black women and men evocatively explore what could make a smart woman ignore doctor’s orders; what could get a hardworking employee fired from her job; what could get a black woman in hot water with her white boyfriend? In a word: hair. In a society where beauty standards can be difficult if not downright unobtainable for many Black women, the issue of hair is a major one. Now, in this evocative and fascinating collection of essays, poems, excerpts, and more, *Tenderheaded* speaks to the personal, political, and cultural meaning of Black hair. From A’Leila Perry Bundles, the great-granddaughter of hair care pioneer Madam C.J. Walker celebrating her ancestor’s legacy, to an art historian exploring the moving ways in which Black hair has been used to express Yoruba spirituality, to renowned activist Angela Davis questioning how her message of revolution got reduced to a hairstyle, *Tenderheaded* is as rich and diverse as the children of the African diaspora. With works from authors including Toni Morrison, Alice Walker, bell hooks, Henry Louis Gates Jr., and more, this “remarkable array of writings and images” (Publishers Weekly) will stay with you long after you turn the final page.

Join New York Times bestselling author Jenna Jameson (*How to Make Love Like a Porn Star*) for a wild erotic ride - Jenna's first tantalizing foray into fiction. Fleeing Los Angeles and her scarlet

past, former porn star Sarah Halliday returns to her New York roots hoping to lose herself in the crowded city streets, protected from the paparazzi's reach ... or so she thinks. A chance encounter with a returned war hero - now prominent executive Cole A. Canning - is the very last thing she wants or needs, or is it? When the handsome and deliciously kinky executive shows her that there are other ways to satisfy her needs (and he knows all of them), she finds herself in the middle of a sexual awakening, a true romance, and a happily ever after. But first she must confront her past - in more ways than one. The first book in Jenna and Hope's new series, *Sugar* is a succulent taste of good things to come.

The third book of *The Broken Trust* continues an epic struggle for power, kindled in the hearts of two brothers, as it spreads to crack the foundations of their underground society. Many years have passed since the Eminence Nekantor and Heir Adon seized power, and life in Pelismara has found a fragile equilibrium under Nekantor's thumb. Now the Imbati Service Academy suspects that Xinta, Manservant to the Eminence, may have taken control of Nekantor for his own sinister purposes, endangering what peace still remains. Imbati Catín, an Academy prodigy, vows service to Adon, balancing two core purposes — to advance her Master's designs on power, and to determine the full extent of Xinta's influence. When a trash hauler named Akribitti Corbinan walks into a place he doesn't belong, everything falls out of balance. Catín, who is investigating this newly discovered hidden library, immediately arrests Corbinan for trespassing. Nekantor then seizes Corbinan, believing he's a spy who sought to topple the government, and Xinta vanishes him before Catín can determine his intent. What was Corbinan really seeking? What dangerous information does the library contain, that Xinta might

seek to control? And what might happen if someone more dangerous finds Corbinan first?

**A Novel** The Juliette Society Before we go any further, let's get this out of the way. I want you to do three things for me. One. Do not be offended by anything you read beyond this point. Two. Leave your inhibitions at the door. Three, and most important. Everything you see and hear from now on must remain between us. Film student Catherine has a secret: a long-held dream, the source of all her sexual imaginings. A dream full of desires of which she is ashamed and embarrassed. And these vivid dreams eventually find their way into her everyday life. One night, at a club, she meets a man who leads her into a strange world. And soon she is drawn toward the Juliette Society, an exclusive secret society in which all the deepest, darkest fantasies are explored. But for those who join this world, there is no turning back. *The Mismade Girl*

Jane Austen meets Sherlock Holmes in this new Regency mystery series. Newly returned from finishing school, Lady Juliette Thorndike is ready to debut in London society. Due to her years away, she hasn't spent much time with her parents, and sees them only as the flighty, dilettante couple the other nobles love. But when they disappear, she discovers she never really knew them at all. They've been living double lives as government spies--and they're only the latest in a long history of espionage that is the family's legacy. Now Lady Juliette is determined to continue their work. Mentored by her uncle, she plunges into the dangerous world of spies. From the glittering ballrooms of London to the fox hunts, regattas, and soirees of country high society, she must chase down hidden clues, solve the mysterious code

her parents left behind, and stay out of danger. All the while, she has to keep her endeavors a secret from her best friend and her suitors--not to mention the nosy, irritatingly handsome Bow Street runner, who suspects her of a daring theft. Can Lady Juliette outwit her enemies and complete her parents' last mission? Best-selling author Erica Vetsch is back with a rollicking, exciting new series destined to be a hit with Regency readers who enjoy a touch of mystery in their love stories. Fans of Julie Klassen, Sarah Ladd, and Anne Perry will love the wit, action, and romance.

*The Juliette Society, Book II* Penguin

Sasha Grey, rising adult film and pop-culture star, takes control in her new monograph "neu sex," moving out from in front of the camera to behind it, turning the lens on the wild world she inhabits. "When I first got into the adult industry, I decided to take my photography much more seriously. I started taking a camera with me to capture my experiences on set, so it was a moment in time, a memory for myself--not the video that would be seen by thousands of people. On days where I was physically unable to capture an image, Ian, my fiance, became my third arm. He understands my aesthetic, or lack thereof. Ian is a photographer, yet the work in this book is quite different from his usual style. When you are so close with someone, there is a shorthand and true understanding of what the other person is trying to accomplish. If there's something I am physically unable to photograph, I can say one word and Ian can assist me with my vision. Ian can capture intimate moments with me that nobody can fabricate, because of our relationship. The strong sense of familiarity eliminates all boundaries between the subject and the

photographer. "Documenting myself has almost become a necessity. "There are so many photos of me, taken by other people, that aesthetically I have no control over. Documenting myself allows me to reflect on the day, on the feelings I am having at that second. When you work in the entertainment industry, there are always surprises; there certainly isn't one day that is similar to the last. Personally, it's important to embrace this and appreciate it every day. "Still images vividly capture emotion, a second in time that can be left open for interpretation by the viewer and the creator. I am inspired by the work of Cindy Sherman and Nan Goldin. Sherman's work continues to inspire me to develop certain characters. I figured if I am on set I might as well take advantage of my surroundings, and document my life in an exciting, untraditional manner. I look back at photos, and see how much I've grown, how my opinions have changed, and how they will continue to change." --Sasha Grey

**A Novel** Penguin

The Gladium Province is on the verge of civil unrest as humans and Morgons, the dragon-hybrid race, clash once more. But amid disorder can also arise passion... When the bodies of three human women are discovered in Morgon territory—with the DNA of several Morgon men on the victims—it's just a matter of time before civil unrest hits the Province. But for ambitious reporter Moira Cade, it's more than just a story, and it may mean risking her own life. Descending into the dark underworld of Morgon society, Moira is paired with Kol Moonring, Captain of the Morgon Guard, for her protection. Fiercely independent, Moira bristles at his dominance, and defies his will at every turn. Yet resistance proves futile when passion flares between them, awakening

powerful emotions within both, body and soul. But as the killings continue, can their fiery newfound bond survive an even greater evil—one that threatens all of humanity, Morgonkind, and Moira's very soul?...

*Kissed in Paris* Wisconsin Historical Society

"In 1919, the four Turner sisters and their parents are barely scraping along. Their father is a low-paid boot stitcher in Johnson City, NY, and the Turners are always one paycheck away from eviction. When their father's hand is crushed and he's forced to quit, their domineering mother decides that the vaudeville stage is their best--and only--chance for salvation. With everything at stake, the Tumbling Turners take to the road and the four young women, teenagers Gert, Winnie, and Kit, and Nell, a 22-year-old new mother and recent widow of the Great War, are soon immersed in the tumultuous world of American Vaudeville on a nine-city tour that will make or break them. Swindlers and ne'er-do-wells await in abundance, but so does kindness, and just maybe a chance at love. Equal parts heartwarming, charming, and reflective, *The Tumbling Turner Sisters* is the story of the sacrifices we make in the name of family, and how the most unlikely choice can ultimately be the one to lead us toward our truest selves"--

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays.

Personally revealing as well as universal, *Dirty Thirty* marks the coming of age of a new literary star.

**The Power** Harper Collins

The heart-stopping third installment in the New York Times bestselling *Shatter Me* series, which Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children* and *Hollow City*, called "a thrilling, high-stakes saga of self-discovery and forbidden love." With *Omega Point* destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The *Shatter Me* series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* by Veronica Roth, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by *Publishers Weekly* as "a gripping read from an author who's not afraid to take risks." Don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

"What do porn stars find erotic?" is a question that has baffled the minds of adult film fans for decades. Thanks to adult film star and best-selling author of *Insatiable* and *Dirty Thirty*, Asa Akira,

we finally get our answer--everything! No one knows the world of sex and eroticism better than those in "the industry." They've seen and done it all, from the weirdest fetishes to the most extreme positions, and now in this hot, new erotic collection they are going to test our own sexual repertoire. Asarotica features twenty-two erotic short stories by some of your favorite porn stars: Joanna Angel, Kayden Kross, Nina Hartley, and Asa Akira herself, among others. Original, authentic, eye opening, and arousing, Asarotica guarantees to "get you there," and to inspire a whole new generation to seek out unexpected pleasures...in books or in the bedroom.

*Inheritors of Power* Simon and Schuster

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs

and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.
